

The Superintendent shall be authorized to approve and execute any contract where the expenditures by the contract have been approved by the Board of Education as a part of its current budget. The Superintendent shall obtain the express authority of the board to enter into any contract where the total annual expenditure required under the contract exceeds \$100,000. The Superintendent shall also obtain the express authority of the board to enter into any amount where the expenditure has not been approved as a part of the current budget of the Board.

Local school administrators are not authorized to enter into contracts for the lease or purchase of equipment. High school administrators may enter into contracts with other high schools for athletic events if the Georgia High School Athletic Association contract is used for that purpose.

The Superintendent is authorized to issue regulations for the purpose of implementing this policy.
